

PIYUSH BAGHEL

Software Development Engineer

+91 8449623389 | p8449623389@gmail.com | github.com/Piyushb956 | linkedin.com/in/baghel-piyush

PROFESSIONAL SUMMARY

Computer Science undergraduate interested in backend development with experience in Python, Java, Flask, and PostgreSQL through academic and personal projects. Completed the JPMorgan Chase & Co. Software Engineering Job Simulation and enjoy building practical software solutions.

TECHNICAL SKILLS

Programming Languages: Python, Java, SQL, JavaScript

Web Technologies: HTML5, CSS3

Backend Technologies: Flask, REST APIs

Database: MySQL, PostgreSQL

Tools: Git, GitHub, Postman

PROJECTS & EXPERIENCE

NORS – Placement Tracker

- Developed a placement tracking web application to help students manage job applications.
- Designed backend routes using Flask and integrated PostgreSQL for persistent data storage.
- Implemented CRUD operations for managing placement records.
- Built responsive user interfaces using HTML, CSS, and JavaScript.
- GitHub - github.com/Piyushb956/placement-tracker
- Live Link - placement-tracker-38tw.onrender.com

Web Developer Intern - InAmigos Foundation

- Developed responsive static web pages for the foundation's website.
- Converted UI designs into functional and accessible web pages.
- Collaborated with team members to deliver website updates.

Software Engineering Job Simulation - JPMorgan Chase & Co.

- Completed a software engineering job simulation involving enterprise backend development.
- Implemented Kafka messaging and REST API endpoints.
- Worked with H2 database integration and project setup.
- Followed an existing codebase to complete assigned engineering tasks.

EDUCATION

GL BAJAJ GROUP OF INSTITUTION, MATHURA (APJ Abdul Kalam Technical University, Lucknow) 2023-2027

Bachelor of Technology (B-Tech) - Computer Science & Engineering

CERTIFICATIONS & ACHIEVEMENTS

JPMorgan Chase & Co. – Software Engineering Job Simulation

Introduction to Android Studio - Simplilearn SkillUp

Python & Data Structures Assessment - EI Systems Technologies (Ranked among Top 21%)
